**WHAT IS ANYTHING THAT FLOATS?:** ATF challenges participants to build a device to float a short distance along Buffalo Bayou. RDA will provide all building materials which include PVC pipe, plywood and other discarded building materials, and participants may bring tape, nails, rubberbands, etc. Awards will be given at the end of the competition!

**WHAT IS BAYOU BASH?:** Bayou Bash is an annual party hosted by Bayou Buddies on Sabine Street from 1-4 pm. Participants are encouraged to attend Bayou Bash after the competition where you can enjoy live music, pontoon boat rides, crawfish and libations along the bayou.

Teams may be composed of 2 to 5 people. If your firm/school would like to have more than five people participate in the competition, you must divide into multiple teams.
